

# A State-of-the-Art Post Acute Care Collaboration

Hillebrand Nursing and Rehabilitation Center is proud to announce that it has joined forces with Stephen D. Heis, MD & Associates, Cincinnati's leader in post-acute physical medicine and rehabilitation services. Due to the mutual forward thinking and creative approach to patient care coupled with a commitment to outstanding communication, this caring collaboration leads to exceptional patient outcomes and overall satisfaction.

## *Hillebrand Welcomes Victoria G. Treadway, MD*

Dr. Treadway is a 2009 graduate in Neuroscience from Pomona College and received her Medical Degree from UCLA in 2013. She serves as the Associate Medical Director of Mercy West Inpatient Rehabilitation Program. Dr. Treadway's areas of specialty include neurorehabilitation, cardiopulmonary rehab, amputee management and prosthetics, musculoskeletal disorders, electrodiagnostics and early mobility of hospitalized inpatients. She is board certified in Physical Medicine and Rehabilitation

With the Heis medical leadership and involvement at Hillebrand, together we can proactively meet the rehabilitative needs of patients within a changing and dynamic healthcare system via:

- *Working closely with attending physicians in the development of treatment protocols*
- *Close communication with Physical Therapists, Occupational Therapists and Speech Therapists*
- *Enhanced mobility, balance and strength*
- *Pain management*
- *Preventing hospital transfers and readmissions*
- *Evaluate patient transitions within level of care settings*
- *Staff, patient and family education*
